

VSM Sanding belt alumina zirconia type 8737

Design: Full resin bonded zirconia alumina grain (ZA) on robust and flexible fabric, evenly and slightly loose. Excellent grit friction, long life, minimal pressure and good flexibility. Oil, grease, wax and water-resistant.

Application: Special product for working on alloyed and non-alloyed steel as well as non-ferrous metals and stainless steel with on belt sanders. Ideal for working with containers, cast and forged parts, piping, metal ware etc.
