

SKF Battery driven grease gun type TLGB 20

The Battery Driven Grease Gun TLGB 20 includes an integrated grease meter to help prevent over- and under-lubrication. This unique tool features a durable, ergonomic design with a three-point stand for operator comfort and convenience and a 20-volt, lithium-ion battery for longer life. Suitable for a variety of manual lubrication tasks, the TLGB 20 can be used to lubricate bearings and machines in industrial and manufacturing environments, as well as agricultural and construction vehicles.

Product features:

- Integrated grease meter tracks dispensed grease
- Battery charge display indicates lithium battery charge level
- Three-point stand keeps grease gun upright for easy handling
- LED light illuminates work area to help locate grease fittings in dimly lit environments
- Two-speed flow rate enables adjustment from low-volume to high-volume flow to suit the application
- Lithium-ion battery dispenses up to 15 grease cartridges per charge and maintains stable energy output
- Filler nipple facilitates clean and simple filling from drums using filler pumps
- Vent valve removes trapped air inside grease gun for trouble-free priming
- Spring guards preserve flex hose life by preventing kinks
- Lightweight, ergonomic design with optimized balance for operator comfort
- Supplied in sturdy carrying case with 900mm high-pressure hose, rechargeable 20-volt battery and 90-minute charger

Characteristics

Series: TLGB

Description	Article
20V Li-ion battery TLGB 20-2	12955231
Battery driven grease gun TLGB 20	12768624
Battery driven grease gun TLGB 20/110V	13549784
Grease tube assembly TLGB 20-4	13230624
High pressure hose 900mm TLGB 20-3	12985481
Shoulder strap TLGB 20-1	13636900
