

## E-COLL Joint sealing tape

Gap-sealing tape

- **Product description**

For storm-proof sealing of gaps and connections in civil engineering construction.  
Pre-compressed polyurethane foam in flame-resistant synthetic resin.

- **Application areas**

For bonding joints under challenging working conditions.  
Long-lasting protection from humidity, storms, draughts, noise and cold.

- **Technical characteristics**

Building material class: B1 flame retardant according to DIN 4102 P-NDS04-229.  
Colour: anthracite.
