

KCL Glove Camapren® 722

Made of polychloroprene and natural latex, a proven material that provides the perfect balance of chemical and mechanical resistance. More durable alternative to natural latex. Anatomical design helps reduce operator fatigue, while good flexibility and a distinct palm profile ensure excellent sensitivity and a sure grip. Cotton flock lining provides comfort.

Chemical protection : EN374:2003 AKL
 Mechanical protection : EN388:2003 1111
 Radioactive-contamination : EN421:1994

Characteristics

Series: Camapren®
