Construction

Featured technologies :

- DMF free these gloves are made free of N,Ndimethylformamide solvents.
- ERGOFORM[™] : Ergonomic Design Technology allows us to engineer more comfortable gloves that improve performance and ease musculoskeletal stress that could lead to injuries.
- ZONZ[™]: Comfort Fit Technology a patented knitting technology that specifies stitch details around glove stress areas to tailor glove fit and improve hand movement - relieving the tension of repetitive motions.

Application

• Recommended in: Chemical, Machine Construction, Utilities
