Construction

Featured technologies :

- DMF free - these gloves are made free of N,N-dimethylformamide solvents.
- ERGOFORM™ : Ergonomic Design Technology - allows us to engineer more comfortable gloves that improve performance and ease musculoskeletal stress that could lead to injuries.
- ZONZ™ : Comfort Fit Technology - a patented knitting technology that specifies stitch details around glove stress areas to tailor glove fit and improve hand movement - relieving the tension of repetitive motions.

Application

- Recommended in: Chemical, Machine Construction, Utilities
