

## 3M Masking tape 301E

- 3M Performance Masking Tape 301E is a chamois coloured, latex saturated crepe paper coated with a rubber resin adhesive. A balanced product where its temperature performance allows air drying and oven curing of paint systems up to a maximum of 100°C for 1 hour with clean and easy removal.
- Suitable for Infrared / UV curing.
- Good solvent and moisture resistance.
- Crepe paper backing for conformability that will maintain integrity when formed around corners.
- Backing saturated for easy tear – resists slivering yet hand tearable.
- Rubber adhesive with instant adhesion.
- Good holding power that resists lifting or curling and helps reduce rework.
- Special backsize treatment controls unwind and helps reduce waste.
- Designed for indoor use only. Tape should not be subjected to outdoor exposure or prolonged periods of sunlight as product may become very difficult to remove.

### Characteristics

**Series:** 301E
