

TESA 64014 Low noise water based acrylic carton sealing tape

tesa® 64014 is based on a PP-backing coated with a water based acrylic adhesive. The special material combination guarantees a low noise unwinding behaviour. Due to the characteristics of the water based acrylic adhesive tesa® 64014 has a high age and light resistance. As the product is chlorine free and based on derivatives of mineral oil only, the disposal by heat treatment is environmental friendly.

Characteristics

Series: Tesapack® 64014

Material: PP

Application

Main applications

- Manual sealing of light and medium-range weight cartons.

Colour	Width mm	Length m	Thickness mm	Article
