

FORMAT Compact stainless steel pipe cutter type 7202

Design: Body made of magnesium die casting, needle-bearing cutting wheel made of stainless steel, with special cutting geometry for stainless steel pipes, interchangeable without the use of tools. 4 needle-bearing stainless steel guide rolls. Pressure regulated via steel-loaded, smooth-running spindle. Plus the pipe cutter is also equipped with a retractable deburrer blade. Large metal handle with extra cutting wheel [supplied].

Application: For precise cutting of constant, narrow, working radii of stainless steel pipes.
