

ATLAS Insole Ergo-Med, medium, blue

ERGO-MED insole, blue

Medium insole for increased foot support: gently cushions feet and provides natural relief from back pain.

Do you have a "normal foot" shape?

Only 15-20% of people have a "normal foot".

Increased strain, at work for example, can lead to foot complaints.

For gentle cushioning, Atlas recommends the medium insole, certified to EN ISO 20345 for ATLAS safety shoes, breathable and skin-friendly upper, relief from pain and pressure points, excellent cushioning, active motion support, antistatic and suitable for ESD, sizes: 36-49
