

## KUKKO Universal pulley extractor, triple arms type 30

ERIKS ARMLOCK

**Design:** With self-centring, sliding, always parallel and switchable puller legs made of chrome alloy tool steel. Has automatic adjustment handle and tempered, specially coated pressure spindle with particularly good sliding properties. Robust, strong model.

**Application:** With switchable puller legs, suitable as external and recessed extractor.

Automatic self-tensioning and centring of the puller legs. Optimised geometry of traverse and sliders for particularly easy movement of the puller legs. At the same time, ensures a firm grip when tightening the screws.
