

BESSEY KLIKLAMP magnesium quick-fit gluing clamp type 5117

Design: Slide rail made from one piece of structurally optimised, cold-drawn profile steel; mobile bracket and fixed bracket made from high-strength and lightweight magnesium, raster mechanism for regulated and secure clamping; with ergonomic handle; mobile pressure plate and retaining ratchet made from shatterproof, glass-fibre-reinforced plastic. Fixed bracket with four-way prism below the removable plastic protective cap.

Application: For clamping in little time and with little force. Clamping force up to 1.2 kN.
