

KNIPEX Heavy duty end nipper type 5281

Design: DIN ISO 5748. Made of chromium-vanadium heavy-duty steel, hardened and tempered in oil, polished head. High cutting force with little effort thanks to the ideal set-up of the cutting angle and gear ratio. Blades additionally inductively hardened (64 HRC). Plastic-coated handles.

Application: For cutting hard and soft wire. Also suitable for twisting and cutting binding wire.
