Rubber hose Fiberflex, EPDM electrically isolating water pressure hose

Application
- pressure hose for water up to max. 100 °C
- by the fiberglass cover, is the hose flame resistant
- special designed for applications at high temperature (max. 550 °C) and where a electrically conductive hose is required

Technical Information
Temperature range
- -35 °C to +120 °C
Burst pressure
- minimum 60 bar
- safety factor 3:1

Construction
Tube
- white EPDM rubber
- dielectric strength 6000 V/mm
- electrically conductive R 10¹¹
Reinforcement
- spiral-plied textile fabrics
Cover
- white EPDM rubber
- fiberglass

Execution
Connections
- free of choice
Assembly
- FIXXED hose clamps or safety clamps

Options
Complete assembly
- ERIKS can assemble the Fiberflex with your required couplings.
