

## GF Ball valve Series: 546 PVC-U Silicone-free Glued sleeve PN16

### Characteristics

**Series:** 546

**Construction type:** 2-way

**Housing construction:** 3-part

**Housing material:** PVC-U

**Connection:** Glued sleeve

**Seat material:** PTFE

**Silicone-free:** Yes

| Nominal inner diameter | External tube diameter of connection<br>mm | Pressure rating | Face to Face norm     | Manual operation | Material ball | Primary spindle seal material | Secondary spindle seal material | Body seal | Actuator material | Article  |
|------------------------|--------------------------------------------|-----------------|-----------------------|------------------|---------------|-------------------------------|---------------------------------|-----------|-------------------|----------|
| DN10                   | 16                                         | PN16            | Manufacturer standard | Handle           | PVC-U         | EPDM                          | EPDM                            | EPDM      |                   | 11247650 |
| DN20                   | 25                                         | PN16            | Manufacturer standard | Handle           | PVC-U         | FPM (FKM)                     | FPM (FKM)                       | FPM (FKM) |                   | 11247659 |
