

DEB STOKO Skin protection for universal application Stokoderm Grip PURE

Versatile skin protection product for sensitive skin exposed to changing, not clearly defined dermatological stress. Can also be applied for use under gloves. Stokoderm® Grip PURE contains an active ingredient combination of an astringent active ingredient, surfactants and emollients. The product is effective against both oilbased, water-based and emulsifiable materials. Stokoderm® Grip PURE was specially developed for particularly sensitive skin and is both perfume and preservatives free.

Characteristics

Series: Stokoderm® Grip PURE

Application

- Changing use of water-soluble and water-insoluble materials and/or activities in changing work areas. Not clearly defined and unspecific skin risks. Stokoderm® Grip PURE can also be applied under gloves.

Technical Information

- White, perfume- and silicone-free cream, oil-in-water emulsion type (O/W).

Operating Principle

- Carefully apply Stokoderm® Grip PURE to clean and dry hands, including the nail beds and between the fingers. If required, apply to further parts of skin. To maintain the protective effect, regularly apply Stokoderm® Grip PURE before work and after long work breaks. NB: Using skin care products does not release you from your duty to take the prescribed protective measures.
