

ANSELL Glove Sol-Knit® 39-124 chemical protection green

Description

Ansell's Sol-Knit industrial glove provides heavy-duty mechanical and chemical protection for a wide variety of work environments. This very tough glove offers optimum comfort of use thanks to its natural shape that makes it well suited for use with long-lasting tasks. Superior dexterity and the high levels of wet and dry grip contribute to wearer safety and ultimately to the overall productivity. When you need a rugged glove with chemical protection, Sol-Knit is the smart choice.
