

## GF Transition flange Series: 700 PP, glass filled Black Norm: EN 1092-1/02 DIN 2501

### Characteristics

**Series:** 700

**Norm:** EN 1092-1/02

**Flange type:** Push-on flange

**Flange standard:** DIN 2501

**Material:** PP, glass filled

**Colour:** Black

| Pressure rating flange | Nominal inner diameter | External tube diameter of connection<br>mm | Inner diameter of push-on flange<br>mm | Pitch circle<br>mm | Number of bolt holes | Diameter bolt hole<br>mm | Thickness flange<br>mm | Article  |
|------------------------|------------------------|--------------------------------------------|----------------------------------------|--------------------|----------------------|--------------------------|------------------------|----------|
| PN16                   | DN80                   | 90                                         | 90                                     | 160                | 8                    | 18                       | 27                     | 11176545 |
| PN16                   | DN100                  | 110                                        | 110                                    | 180                | 8                    | 18                       | 28                     | 11167228 |
