

ALTREX Combination ladder MOUNTER two or three-piece

The Mounter is equally strong as stable.

The light weight I-profile is specifically designed for intensive use.

Moreover, this combination ladder is also multifunctional.

Use it as a extension ladder along the wall or simply switch it to an A-position.

Perfect for every job.

The unique D-shaped rung is firmly in place thanks to its special shape.

Moreover, the deep standing surface gives you more standing comfort and the stabiliser beam also provides additional stability.

The ladder is easy to extend in and out through the automatic locking swing hooks and the top rollers at the ends.

The distinctive black coating is also another nice addition to dirt repellent.
