

DEB Specialist Hand Cleanser Kreto®Special ULTRA

With mild ester based solvent -Specialist solvent provides outstanding cleansing action without harming the skin.

Effective specialist cleansing -Removes alkyd and acrylic paints, base coats, lacquers, resins, body fillers, adhesives and varnishes.

Highly concentrated formulation -Uses 100% active ingredients in a clay-thickened matrix, enabling only a small amount of product required for effective and economical cleansing.

Contains patented Astopon® natural scrubbing agent -Astopon is produced from refined walnut shell powder, a natural and renewable source and helps provide a deep clean without damaging the skin and has no negative impact on the environment. The scrubbing agent is easily rinsed away, preventing blocked drains and pipes.

Soap-free formulation -Formulated for frequent use to be gentle to the skin.

Low odour -Pleasant to use with high level user acceptance.

Silicone-free -Suitable for use in any production sites where paint and surface coating processes are undertaken.
