

EMMA Safety sandal DAYTONA protection level S1P fitting D Metal Free

Breathable and incredibly comfortable

It's not hard to see why the Daytona is one of Emma's most breathable shoes. It's an ideal choice for warm, enclosed environments such as those in the Automotive industry. It features Emma's uniqueHydro-Tec® antibacterialtechnology, removing moisture and perspiration instantly. Synthetic, reinforced toes and super swift velcro fasteners make the Daytona an ideal choice for all active occupations but especially for people working in Warehousing and Logistics.
