

DEEPWATER I-ROD® (whie) strips

Application

- The I-Rod® pipe-support system developed specifically to ensure longer, safer lives for pipes by eliminating crevices between pipes and supports and preventing crevice corrosion. I-Rod® eliminates the crevice by minimizing the contact area and allowing any moisture to evaporate. It's also much easier to inspect.

Technical Information

- Temp. : -110 to 83°C (-166 to 181°F)
