

## **E-COLL Water-based release spray**

Water-based separating agent

## **Product description**

Prevents sticking and burning on gas nozzle and workpiece surfaces. After treatment, the workpieces can be painted, electroplated, anodised, and burnished without any problem.

## **Application areas**

Protects welding nozzles.

Works as a separating agent with oxyacetylene gas- and arc welding.

## **Technical characteristics**

Water-based, silicone free. Colour: milky.
