

BAUER Fork extension, open, for forklift trucks

Fork extension for forklift [open design], length 1600 mm

Sturdy steel construction

Indispensable aids for the occasional lifting or transporting of loads which are longer than the forks of the existing forklift truck.

Security through socket pins

- **Available in 2 designs**

Open design: bottom side open

Closed design: bottom side closed - also suitable for loads beyond the length of the forks.

-

Paint

RAL 2000 yellow-orange; upon request, also available in RAL 7021 black-greys without additional charge.
