

ALTREX Sliding ladder MOUNTER two-piece

The Mounter is as strong as it is stable.

The light-weight I-profile has been specifically designed for intensive use.

This rope-operated 2-part ladder is also idea for working against a façade.

With one simple movement, the ladder slides out to its extended length.

Perfect for every job.

The unique D-rung gives a secure footing due to its special shape.

The large standing surface provides increased comfort.

The extendible ladder is easy to use due to the rope/pulley system and the top rollers at the ends.

The top quality black coating is attractive as well as dirt-resistant.
