

## Pipe coupling Series: RS-0 Repair coupling Stainless steel/ NBR

### Characteristics

**Series:** RS-0

**Shape:** Repair coupling

**Housing material:** Stainless steel

**Material quality:** 1.4301

**Sleeve material:** NBR

| External tube diameter of connection | External tube diameter of connection 2 | Number of scale units | Length | Article  |
|--------------------------------------|----------------------------------------|-----------------------|--------|----------|
| mm                                   | mm                                     |                       | mm     |          |
| 20                                   | 24                                     | 1                     | 100    | 10043111 |
| 25                                   | 29                                     | 1                     | 100    | 10043112 |
| 32                                   | 36                                     | 1                     | 100    | 10043113 |
| 40                                   | 44                                     | 1                     | 100    | 10043114 |
| 46                                   | 50                                     | 1                     | 100    | 10043115 |
