

EMMA Safety boot Mento S3 D PUR

A boot that's better built.

Mento's water repellant for up to 4hours and ideally suited to working outdoors, in Construction or Agriculture for example. It's designed to offer exceptional all over foot protection. There's a reinforced steel plate in the sole, strong and supportive leather uppers. And a double density PU sole to protect your feet from dangers above and below. The reinforced steel toe cap has been sculpted within the shoe so it won't get in the way of your work, just falling objects.

Characteristics

Series: Mento
