

FORMAT Painting brush twisted type 7045

Design: With knotted wire. High cleaning efficiency and particular flexibility; the centrifugal force during operation opens and closes the brush. For use with high-speed hand tools. Mounting shaft Ø 6 mm.

Application: For the removal of rust, burr, cinder, scale, paint, excess rubber and other contaminants in hard to access areas and inner areas. Particularly suitable for the internal cleaning of cylindrical bores and tubes.

Note: Observe safety recommendations.
