

## SMC Pressure Gauge for General Purpose (O.D. 37) series G (A)36

- General purpose pressure gauge w/limit indicator
- Back side or vertical side thread
- Pressure range: 0 to 1.5MPa (0 to 225psi)
- Indication precision:  $\pm 3\%$  F.S. (full span)

### Characteristics

**Series:** G(A)36

**Type:** G(A)36

**Process connection:** External thread

**Window material:** Polycarbonate

| Cabinet diameter | Measuring range | Pressure unit | Accuracy class | Connection location | Size process connection | Cabinet material | Article  |
|------------------|-----------------|---------------|----------------|---------------------|-------------------------|------------------|----------|
| mm               |                 |               |                |                     |                         |                  |          |
| 37.5             | 0 / 0.2         | MPa           | 3.0 %          | Back                | 1/8" BSPP[G]            | Steel            | 24123840 |
| 37.5             | 0 / 0.7         | MPa           | 3.0 %          | Back                | 1/8" BSPP[G]            | Stainless steel  | 12734701 |
| 37.5             | 0 / 0.7         | MPa           | 3.0 %          | Back                | 1/8" BSPP[G]            | Steel            | 24123842 |
| 37.5             | 0 / 1           | MPa           | 3.0 %          | Back                | 1/8" BSPP[G]            | Stainless steel  | 24123891 |
| 37.5             | 0 / 1           | MPa           | 3.0 %          | Back                | 1/8" BSPP[G]            | Steel            | 24123838 |
| 37.5             | 0 / 1.5         | MPa           | 3.0 %          | Back                | 1/8" BSPP[G]            | Steel            | 24123839 |
