

## SMC Pressure Gauge with Switch (O.D. 42.5) series GP46

- Pressure gauge with built-in switch
- Equipped with a light for verifying operation
- Equipped with a limit indicator
- Optional cover ring assembly and 3m lead wire length
- Pressure range 0 to 1.0 MPa

### Characteristics

**Series:** GP46  
**Type:** GP46  
**Process connection:** External thread  
**Indicator Light:** Yes  
**Ambient temperature:** -5 / 60 °C

| Cabinet diameter<br>mm | Measuring range | Pressure unit | Connection location | Size process connection | Article  |
|------------------------|-----------------|---------------|---------------------|-------------------------|----------|
| 42.5                   | 0 / 1           | MPa           | Back                | 1/8" BSPT(R)            | 12734665 |
