

Rubber hose Goldschlange, EPDM water discharge hose up to 30 bar

Characteristics

Series: Goldschlange

Application

- universal industrial hose
- robust and dependable
- meets all requirements for the building industry, agriculture and many other applications
- suitable for all thinkable working conditions
- non-buckling, shock-proof, can be overrun

Technical Information

Temperature range

- -30 °C to +100 °C
- steam cleaning up to 130 °C (max. 30 minutes, without pressure)

Burst pressure

- 3 x working pressure
- safety factor 3:1

Construction

Tube

• black EPDM rubber

Reinforcement

• spiral-plied polyamide fabrics

Cover

- CR rubber, yellow wavy line on black cover
- extremely wear resistant and durable
- also resistant to oil, fat and petrol
- ozone and weather resistant

Execution

Connections

• free of choice

Assembly

• FIXXED hose clamps or from DN25 safety clamps

Options

Additional information

• this hose is ADI-free (Animal Derived Ingredient Free)
