

PAULSTRA Vibration damper S.C.

Design: Made of vanadium electric steel, forged, hardened and tempered in oil. Polished head, long, flat jaws, serrated grip zones, blades additionally inductively hardened (60 HRC), with stripping holes and crimping zone. Handles with multi-component plastic covers.

Application: For gripping, cutting, bending and wire-stripping of wires as well as for pressing (trapezoid pressing) ferrules.

Characteristics

Series: SC

Type: B
