

3M Jupiter™ Powered Air Turbo Unit

- The 3M™ Jupiter™ Powered Air Turbo Unit 085-00-10P is fully compatible with all 3M™ Versaflo™ Headtops and Breathing Tubes. The Jupiter Respirator provides respiratory protection against particulate and gaseous contaminants (particulate only and combined particulate / gas and vapour filters are available). An integrated acoustic and visual alarm indicates if airflow to the headtop is reduced or battery charge runs low. The unit has an ON/OFF switch with control module
- Breathing tube connection.
- Decontamination comfort belt for improved fit and easier cleaning
- Filter connection
- Four different filter types
- Modern, ergonomic design
- Minimal maintenance required
- Can be worn during shower decontamination
- Optional braces available
- Intelligent battery charger to optimise battery life
- Audible and visual alarms.
