

## SKF Flanged bearing housing oval Series: PFT

### Characteristics

Series: PFT

| Manufacturer ID | Outer dimension bearing | Length | Height | Centre distance of mounting holes | Housing material | Article  |
|-----------------|-------------------------|--------|--------|-----------------------------------|------------------|----------|
|                 | mm                      | mm     | mm     | mm                                |                  |          |
| PFT 20 TF       | 40                      |        |        |                                   | Sheet steel      | 13530171 |
| PFT 40          | 40                      | 59     | 81     | 63                                | Sheet steel      | 23222862 |
| PFT 47          | 47                      | 67     | 91     | 71.5                              | Sheet steel      | 23222863 |
| PFT 52          | 52                      | 71     | 95     | 76                                | Sheet steel      | 23222864 |
| PFT 25 TF       | 52                      |        |        |                                   | Sheet steel      | 13530172 |
| PFT 62          | 62                      | 84     | 112    | 90.5                              | Sheet steel      | 23222865 |
| PFT 72          | 72                      | 94     | 122    | 100                               | Sheet steel      | 23222866 |
| PFT 80          | 80                      | 104    | 148    | 119                               | Sheet steel      | 11617525 |
| PFT 12 TF       |                         |        |        |                                   | Sheet steel      | 14622100 |
