

## AMBERSIL Multi-purpose lubricant

Ambersil Multi-Purpose Lubricant is well known as a true multi-purpose 'cure-all' for engineers: use as a dewatering fluid, a penetrant on seized fasteners, a general lubricant, and as a corrosion inhibitor.

- Excellent water displacement performance.
- High dielectric strength, non-conductive film.
- Safe on most paints, plastics, rubbers, and all metals.
- Operational temperature range: -20°C to +115°C.

| Description                              | Article              |
|--|----------------------|
| Amberglide PTFE Enhanced Lubricant 400ml | AMB-AMBERGLIDE-400ML |
| Dry PTFE lube food grade 400ml           | AMB-DRYPTFE-400ML    |
