

# FESTO Blanking plug B

## Characteristics

Series: B

| Manufacturer ID | Material                        | Threaded connection 1    | Connection 1 thread size<br>in | Article |
|-----------------|---------------------------------|--------------------------|--------------------------------|---------|
| B-M5            | Aluminum, anodized              | External thread (M)      | M 5                            | B-M5    |
| B-M3-S9         | High alloy steel, non-corrosive | External thread (M)      | M 3                            | B-M3-S9 |
| B-M5-B          | Steel, galvanized               | External thread (M)      | M 5                            | B-M5-B  |
| B-M7            | Steel, galvanized               | External thread (M)      | M 7                            | B-M7    |
| B-1/2           | Steel, galvanized               | External thread BSPP (G) | 1/2                            | B-1/2   |
| B-1/4           | Steel, galvanized               | External thread BSPP (G) | 1/4                            | B-1/4   |
| B-1/8           | Steel, galvanized               | External thread BSPP (G) | 1/8                            | B-1/8   |
| B-1             | Steel, galvanized               | External thread BSPP (G) | 1                              | B-1     |
| B-3/4           | Steel, galvanized               | External thread BSPP (G) | 3/4                            | B-3/4   |
| B-3/8           | Steel, galvanized               | External thread BSPP (G) | 3/8                            | B-3/8   |
