

KNIPEX Cable shears with multi-component type 95 31 250

Design: Made of special grade, special tool steel. Coated head. Single-handed operation thanks to ratchet principle, with 2-gear ring drive for simple cutting; cuts smoothly and cleanly, without squashing. With clamping protection. Solid arm cover with cut area to lay material on when cutting. Handles with multi-component plastic covers.

Application: For the squash-free cutting of single- and multi-wire copper and aluminium cables.

Note: Not suitable for steel wire and wire cable.
