

HALDER Plastic mallet, Secural, non-rebound type 6832

Design: Hammer body made of sturdy sheet steel, the interchangeable, medium hard impact heads are made of cadmium-free, yellow polyurethane. Kickback free through ball filling. Handle coated with ergonomic rubber sleeve.

Application: Especially suitable for working in corners due to the shape of the head, particularly for use in forming sheet metal; in the body shop; for furniture, windows and doors as well as laying parquet and laminate.
