

KNIPEX Heavy duty combination pliers with plastic coated handle type 02 01

Design: DIN ISO 5746.Made of special grade, special tool steel, hardened and tempered in oil. Polished head, jaws with grip zones for flat and round materials. Blades with additional inductive hardening (63 HRC) and with high purchase, 35% reduced effort thanks to improved leverage ratio when compared with normal universal pliers of the same length, thus suitable for all wires, including piano wire and the toughest endurance stress. Plastic-coated handles.
