

KNIPEX Heavy duty combination pliers, VDE, with multi-component handle type 02 06

Design: DIN ISO 5746.Made of special grade, special tool steel, hardened and tempered in oil. Polished head, jaws with grip zones for flat and round materials. Blades with additional inductive hardening [63 HRC] and with high purchase, 35% reduced effort thanks to improved leverage ratio when compared with normal universal pliers of the same length, thus suitable for all wires, including piano wire and the toughest endurance stress. Handles with multi-component plastic covers, with recessed grips and indented lettering, insulated up to 1000 V according to IEC 60900, DIN EN 60900, VDE 0682/Part 201.

Length mm	Low spark model	VDE tested	Article
180	No	Yes	W90A-51580180
200	No	Yes	W90A-51580200
225	No	No	W90A-51580225
