

KNIPEX Self-adjusting stripping pliers and spare parts type 12 40/49

Design: Made of ductile fibreglass-reinforced plastic, with especially smooth-running mechanism. The blades automatically adjust to the cable Ø to prevent the conductor being damaged. Wire cutter for copper and aluminium conductors, multi-wire up to 10 mm², single-wire up to 6 mm². With longitudinal stop and easily interchangeable blades.

Application: For the stripping and cutting of fine-wired and solid conductors with PVC insulation and multi-conductors.
