

KNIPEX Straight precision circlip pliers for external rings type 5622

Design: DIN 5254, A-shape, straight. Made of chromium-vanadium electric steel, forged, head grey atraitmentised, with inserted tips made of highest-grade drawn spring steel wire with large contact surface, hence no twisting of the rings. Utmost precision thanks to screwed hinge with internal opening spring, therefore can be highly loadedwith a service life that is 10 times longer than normal in continuous operation. Plastic-coated handles.

Application:For assembling external safety rings and for opening circlips.
