

FENNER Taper Lock® bush metric bore size 1610

Fenner Taper Lock® bushes are machined in cast iron and steel and are available in a full range of both metric and Imperial bores and keyways. They have the equivalent to a shrink-on fit on uniform load applications and offer complete ease of installation and removal. The special 4-hole feature on Fenner Taper Lock® bushes is a feature for balanced assemblies.

Characteristics

Series: Taper Lock Bush Metric

Type: 1610
