

SMC Air Filter series AF10-60-A

- Modular air filter
- Prevents contamination
- Lighter weight than old style modular AF
- Thickness reduction of resin case provides increased capacity (approx. 1.3 times more).
- Improved water separation efficiency extends the service life of filter elements
- Rc, NPT or G(PF) type threads

Characteristics

Series: AF-A

Container material: Polycarbonate

Port thread type	Port Size in	Filtration level µm	Flow direction	Operation temperature °C	Max. operation pressure MPa	Maximum flow rate l/min	Container volume cm³	Article
