

E-COLL Compressed air spray

Compressed air spray

Product description

Best suited for dust removal and blast processing.

Application areas

Dust removal from electronic devices or for maintenance or repair work [e.g. on magnetic disk readers, sound transducers, turntables and vinyl records].

Cleaning of vacuumed surfaces, sealing rings, high-voltage insulators, specimen holders, with vacuum systems as well as pumping equipment under clean-room conditions in semi-conductor manufacturing.

Maintenance of quartz clocks and display panels.

Technical characteristics

Temperature resistant: to +80 °C.
