

EMMA High-top safety shoe, JORDAN (Ruffneck), protection level S1P, fit XD ESD Metal Free

The Jordan is a street inspired safety boot.

Its unique heel design (the 'rough neck') is highly supportive and ideal for climbing pallets, ladders and in and out of truck cabs - even when wet. The protective insole protects from sharp objects like nails and shards of metal. This sneaker with fiberglass toe cap, is finished with robust denim. Choose a LoNeck or HiNeck, just make sure it's a RuffNeck.
