

SLOEN Firefighter jacket 1VFI LONG

Two inside zipped pockets and a pen pocket

Attachment loops for a microphone and a lamp

Anti-panic zip

Loops for an extra shoulder pad are provided around the shoulders (various colours are possible)

The trousers come up to above the waist and have a front zip and velcro fastener and two grommet openings

There is a large pocket on each trouser leg; the right pocket has a subdivision for a lamp

The trouser legs can be unzipped at the bottom to make them easy to put on. The zip that goes down to the knee is also useful for putting on boots.

Kevlar® knee pads (coated with a fire-resistant polymer) offer better protection when the fire fighter has to sit on his knees
