

BRADY Clamping Cable lockout/tagout

Powerful versatility in a pinch. Conquer tough or tight spaces and the widest variety of ball, gate and butterfly valves with the innovatively easy Clamping Cable Lockout.

- Innovative design puts maximum options for a fixed counterpoint in play, including the immediate valve pipe
- Familiar quick-release trigger clamp with ergonomic grip allows for easy one-handed operation
- Goes on easy – just squeeze clamp, thread cable, close door, pull tight and apply padlock
- Stays on securely – cam wheels grip cable securely, closable cam door prevents cable loosening or tampering, and panel door arm prevents clamp releasing
- Cable can be pulled tight, but never loosened, after cam door is closed
- Includes interchangeable durable steel or scratch-minimising rubber jaws
- 2.44 m sheathed metal cable stands up to heavy use and abuse
- Four lock holes, including a hasp-compatible bottom hole, provide secure lock points for multiple workers
