

## **REMKO Dehumidifier, type ETF 360/ETF 460**

Mobile humidifier ETF 360/ETF 460

## Very low operating costs

Full automatically controlled dehumidifier with integrated condensate pump with ready-to-plug condensate connection. Particularly efficient due to use of a rotary compressor. 2 optional fan leves and digital temperature and humidity display. Moisture is controlled by an integrated hygrostat. The fully automatic control guarantees fault-free permanent use round the clock. With integrated handle and transport rollers for easy movement of units.

## Application areas

Living spaces, cellars, lofts, garages, laundry rooms, wash rooms and changing rooms etc. \* Integrated condensate pump in Low-TEMP version (6–32 °C).
