

E-COLL Water-based release spray

Water-based separating agent

-

Product description

Prevents sticking and burning on gas nozzle and workpiece surfaces.

After treatment, the workpieces can be painted, electroplated, anodised, and burnished without any problem.

-

Application areas

Protects welding nozzles.

Works as a separating agent with oxyacetylene gas- and arc welding.

-

Technical characteristics

Water-based, silicone free.

Colour: milky.
